

Just Say: "Stuff It" To Bookkeeping™

Just Say: "Stuff It" to Bookkeeping™ gives you a complete small business accounting system that is super easy to follow and relieves you of all that paperwork hassle. Thanks to technology we have made document retrieval simple and effortless for you. The bonus is we do it on a flat fee basis, which means you get more bang for your buck!

With our system you get:

- Enter customer invoices and payments
- Enter vendor bills and payments
- Bank and credit card Reconciliations
- Payroll preparation
- Sales and Payroll Tax Filing
- Internal Financial Statements
- Dedicated bookkeeper
- Digital document retrieval and storage
- QuickBooks Online accounting software

Monthly Flat Fee

At Number Crunchers®, we believe that giving you the best value on a flat fee basis is best. There are no additional fees or hourly rates, you always know what you're paying each month.

Small Business Basics

You're a solopreneur who realizes that the last thing you should be doing is bookkeeping.

\$149/m
\$298 setup fee*

Small Business Essentials

You've grown up a bit, your business is steady and now have a couple of employees or subcontractors

\$299/m
\$598 setup fee*

Small Business Advanced

Your business is a bit more mature, you're hiring staff, lots of happy customers, and have a busy business.

\$499/m
\$998 setup fee*

Customizable plans are available to suit your needs

All plans are plus GST/HST

*Our setup fee covers: either uploading your file into our system or creating a brand new company file in Quickbooks Online; setup and initial training on Hubdoc; setup and initial training on Plooto for paying your bills; adding us onto your CRA file, and making super organized.
